The Board of Public Works met this date at one o'clock p.m. in the Governor's Office, at Annapolis.

The order heretofore passed directing Commander Howard to notify the officers of the Oyster Navy Department not to undertake to prevent the planters of oysters, where dredging is forbidden, under the Attorney General's instructions from being interfered with;-----In view of the fact that the Attorney General not knowing at the time that there had been any decision in the matter by the Court, and having since ascertained that there was a decision rendered by the Court in Somerset County, holding an opposite view; we, therefore, rescind the order directing Commander Howard to issue such instructions, and now direct him to withdraw the notice that he has given any of the officers on the subject.
